* **Sec. 14.** AS 47.30 is amended by adding new sections to read:

Sec. 47.30.707. Admission to and hold at a crisis stabilization center. (a)

Except as provided in (b) of this section, when a crisis stabilization center admits a respondent under AS 47.30.705, the crisis stabilization center may hold the respondent at the center for a period not to exceed 23 hours and 59 minutes. A mental health professional shall examine the respondent within three hours after the respondent arrives at the center.

(b) If the professional person in charge at the crisis stabilization center determines that there is probable cause to believe that the respondent is suffering an acute behavioral health crisis and, as a result, is likely to cause harm to self or others or is gravely disabled, the respondent's acute behavioral health crisis will be resolved during admission to a crisis residential center, and the respondent is not willing to voluntarily go to the crisis residential center, a mental health professional may submit an ex parte application to the court under this section for detention at the crisis residential center. Based on the application, if the court finds that probable cause exists to believe that the respondent's acute behavioral health crisis will be resolved during admission to a crisis residential center, the court shall grant the application and appoint an attorney to represent the respondent, and the respondent may remain at the crisis stabilization center until admission to a crisis residential center. If the court finds no probable cause, the court shall order the respondent released.

Sec. 47.30.708. Admission to and detention at a crisis residential center. (a)

1 A respondent who is delivered to a crisis residential center for emergency examination
 2 and treatment shall be examined and evaluated as to mental and physical condition by
 3 a mental health professional within three hours after arrival at the facility.

4 (b) The mental health professional who performs the emergency examination
 5 under (a) of this section may admit the respondent to the crisis residential center if the
 6 mental health professional has probable cause to believe that

7 (1) the respondent is mentally ill and that condition causes the
 8 respondent to be gravely disabled or to present a likelihood of serious harm to self or
 9 others; and

10 (2) the respondent's acute behavioral health crisis will be resolved
 11 during admission to the crisis residential center.

12 (c) If a mental health professional admits a respondent to a crisis residential
 13 center and a judicial order has not been obtained under AS 47.30.707, the mental
 14 health professional may apply for an ex parte order under this section authorizing
 15 admission to the crisis residential center. Based on the application, if the court finds
 16 that probable cause exists to believe that the respondent is suffering an acute
 17 behavioral health crisis and, as a result, is likely to cause harm to self or others or is
 18 gravely disabled and the respondent's acute behavioral health crisis will be resolved
 19 during admission to a crisis residential center, the court shall grant the application and
 20 appoint an attorney to represent the respondent. If the court finds no probable cause,
 21 the court shall order the respondent released.

22 (d) When, under (c) of this section, the court grants an ex parte application to
 23 admit a respondent to a crisis residential center, the court shall set a time for a hearing,
 24 to be held if needed within 72 hours after the respondent's arrival at the crisis
 25 stabilization center or the crisis residential center, whichever is earlier, and the court
 26 shall notify the respondent, the respondent's attorney, the respondent's guardian, if
 27 any, the petitioner's attorney, if any, and the attorney general of the time and place of
 28 the hearing. Computation of the 72-hour period at a crisis residential center before a
 29 hearing does not include Saturdays, Sundays, and legal holidays. The hearing shall be
 30 held at the crisis residential center in person, by contemporaneous two-way video
 31 conference, or by teleconference, absent extraordinary circumstances. If a hearing is

1 held by contemporaneous two-way video conference, only the court may record the
 2 hearing. In this subsection, "contemporaneous two-way video conference" means a
 3 conference among people at different places by means of transmitted audio and visual
 4 signals, using any communication technology that allows people at two or more places
 5 to interact simultaneously by way of two-way video and audio transmission.

6 (e) In the course of the 72-hour period, a petition for 30-day commitment or
 7 for seven-day detention at a crisis residential center may be filed in court. A petition
 8 for 30-day commitment must conform with AS 47.30.730. A petition for seven-day
 9 detention at a crisis residential center must be signed by two mental health
 10 professionals, one of whom must be a physician, who have examined the respondent.
 11 A copy of the petition shall be served on the respondent, the respondent's attorney, and
 12 the respondent's guardian, if any, before the hearing. The petition for detention must

13 (1) allege that the respondent is suffering an acute behavioral health
 14 crisis and, as a result, is likely to cause harm to self or others or is gravely disabled;

15 (2) allege that resolution of the respondent's acute behavioral health
 16 crisis is likely during the admission to the crisis residential center;

17 (3) allege that the respondent has been advised of the need for, but has
 18 not accepted, voluntary treatment, and request that the court order the respondent to be
 19 detained at the crisis residential center for up to seven days following the respondent's
 20 arrival at the crisis stabilization center or the crisis residential center, whichever is
 21 earlier;

22 (4) list prospective witnesses; and

23 (5) list specific facts and describe behavior of the respondent
 24 supporting the allegations in (1) - (3) of this subsection.

25 (f) If, at a hearing held under (d) of this section, the court reviews a petition
 26 for 30-day commitment, the court shall hold the next hearing in accordance with
 27 AS 47.30.735. If the court grants the petition for 30-day commitment, the respondent
 28 may remain at the crisis residential center until admission to a designated treatment
 29 facility.

30 (g) If, at a hearing held under (d) of this section, the court reviews a petition
 31 for seven-day detention at a crisis residential center, the respondent has the rights

1 listed in AS 47.30.735(b)(1) - (9). At the conclusion of a hearing on a petition for
 2 seven-day detention at a crisis residential center, the court

3 (1) may order the respondent detained at the crisis residential center
 4 for up to seven days following the respondent's arrival at the crisis stabilization center
 5 or the crisis residential center, whichever is earlier, if the court finds there is probable
 6 cause to believe that

7 (A) the respondent is suffering an acute behavioral health crisis
 8 and, as a result, is likely to cause harm to self or others or is gravely disabled;
 9 and

10 (B) the respondent's acute behavioral health crisis will be
 11 resolved during admission to the crisis residential center;

12 (2) shall order the respondent released, if the court finds no probable
 13 cause.

14 **Sec. 47.30.709. Rights of respondents at crisis stabilization centers and**
 15 **crisis residential centers; psychotropic medication; time.** (a) If at any time during a
 16 respondent's hold at a crisis stabilization center or detention at a crisis residential
 17 center the professional person in charge determines that the respondent does not meet
 18 the standard for a hold or detention, the respondent may no longer be held or detained.
 19 The professional person in charge shall notify the petitioner and the court, if
 20 applicable.

21 (b) When a respondent is held at a crisis stabilization center or detained at a
 22 crisis residential center, the respondent has the rights identified in AS 47.30.725 and,

23 (1) if an adult, the rights identified under AS 47.30.817 - 47.30.838,
 24 47.30.840 - 47.30.850, and 47.30.855 - 47.30.865; and

25 (2) if a minor, the rights identified in AS 47.30.700 - 47.30.865.

26 (c) A respondent subject to an involuntary stabilization hold or detention at a
 27 crisis stabilization center or crisis residential center may, at any time, convert to
 28 voluntary status if the professional person in charge agrees that

29 (1) the respondent is an appropriate patient for voluntary status; and

30 (2) the conversion is made in good faith.

31 (d) A crisis stabilization center or crisis residential center may administer

1 psychotropic medication to an involuntarily held or detained respondent only in a
2 manner that is consistent with AS 47.30.838.

3 (e) Computation of a 23-hour and 59-minute holding time at a crisis
4 stabilization center includes Saturdays, Sundays, and legal holidays, but does not
5 include any period of time necessary to transport a respondent to a crisis stabilization
6 center. Computation of a seven-day detention at a crisis residential center includes
7 Saturdays, Sundays, and legal holidays, but does not include any period of time
8 necessary to transport a respondent to a crisis residential center.
